

PUBLIC IMPROVEMENTS ADVISORY COMMITTEE

CITYWIDE HEARINGS

The Public Improvements Advisory Committee (PIAC), in cooperation with the Mayor and City Council, will be holding citywide hearings in the north, midtown and south areas. These hearings are being held so that the Committee and Council can hear from citizens about the city's public improvement needs. The PIAC will use information gathered through the hearings to recommend projects for funding to the Council of Year Thirty-Five (Fiscal Year 2018-2019) of the one-cent sales tax for public improvements.

In addition to coming to the hearings, citizens also can tell the PIAC about needed public improvements by completing a request form. These forms will be available at the hearings or are available from the Capital Improvements Programs.
