SHOP SMALL ON INDEPENDENCE AVENUE

Welcome to Small Business Saturday – Independence Avenue style! This year the Northeast Chamber of Commerce and the Independence Avenue Community Improvement District invite you to make Small Business Saturday your own by shopping the International Marketplace merchants along Historic Northeast's busiest commercial corridor – Independence Avenue.

Small business is the backbone of the American Economy and since the inception of the American Express Small Business Saturday event, an estimated \$85 billion has been spent across the country on Small Business Saturday at independent restaurants and merchants just like the ones that call Independence Avenue home.

This year your Northeast Kansas City Chamber of Commerce and Independence Avenue Community Improvement District have partnered with American Express to provide additional resources to Avenue merchants to help drive shoppers to their shops and restaurants.

This Saturday November 24th, shop where you see the "Shop Small" signs in participating small businesses along Independence Avenue. From home made tamales to house-wares, soup to nuts, this year celebrate Small Business Saturday on Independence Avenue with the Northeast Kansas City Chamber of Commerce and Independence Avenue Community Improvement District.
